Doctor of Ministry IN CHRISTIAN LEADERSHIP

Doctor of Ministry

IN CHRISTIAN LEADERSHIP

Southern Asia Bible College offers the Doctor of Ministry programme in Christian Leadership (D.Min.) in collaboration with the Assemblies of God Theological Seminary (AGTS), USA. The D. Min. is a professional programme intended for women and men who are actively engaged in Christian ministry

Why D. Min. from SABC ?

● **Personal Revitalization**

Immerses the participants in a challenging learning environment based on theological reflection

Creates a strategic network through a cohort / team experience, which gives an opportunity to glean from similar and diverse contexts

Connects with the most current resources, research and concepts that expand the participants' "horizons" while recharging the passion for a truly Pentecostal paradigm of life and ministry

● **Leadership Influence**

Increases the participants' value to the leadership staff/team, by familiarizing them with relevant models and ideas, thus helping them to interpret new concepts in their organizational environment

● **Ministry Expansion**

All research papers as well as the D. Min. Project are written in the participants' ministry context and will move towards real solutions, rather than being mere academic exercises

The renewed passion for learning, reflecting and leading will infuse new life and growth into every aspect of ministry

How is the Programme Designed?

Designed to help the participants complete their studies while active in ministry

One-week residential modules, three times a year - June, October and February

Each module will be preceded by personal reading / preparation and followed by projects pertaining to the module that apply course materials to participants' ministries

After successful completion of the course requirements, participants will have one year to complete their D. Min. project

The normal duration of the programme is four years
